We want you to feel SAFE here and know that YOUR WELL-BEING is our top priority!

We make sure you are safe and protected from any harm.

If you feel harmed or witness harm, tell us about it.

We care about making your Internet use safe.

Everyone has the right to be treated well and with respect no matter what.

We care about your privacy, so no one has the right to record or photograph you without your consent.

We avoid situations where you would be alone with an adult in a closed room.

You can always tell us about your concerns. Your feelings are important.

We use polite and respectful language towards each other.

It's worth asking for help. If you need to talk anonymously, call these trusted numbers: 116 111, 800 121 212 or chat at [www.brpd.gov.pl](http://www.brpd.gov.pl) or [www.116111.pl](http://www.116111.pl).

We say NO to violence!
